(Please see the *Undergraduate Program Offerings by Campus* chart in the catalog for a list of Herzing campuses offering this program.)

PROGRAM DESCRIPTION

This bridge to ASN program is open to licensed practical nurses, paramedics, respiratory therapists, and cardiovascular technologists. This associate's degree nursing program is approved by the Florida Board of Nursing (FBON) and prepares students to take the National Council Licensing Exam for Registered Nurses (NCLEX-RN®) and to begin a professional nursing career. Graduates will be prepared to integrate nursing knowledge, critical thinking, and nursing skills in the healthcare environment in order to provide a broad, holistic, and concept-based understanding of the roles and responsibilities of the registered nurse.
