Dear Employer,

We would like to invite you to be an exhibitor at Herzing University’s Career Discovery Day on Tuesday, June 15, from 4-8 PM. This free community event is part job fair and part career showcase.

Exhibitors will be given a table with two chairs, access to an electrical outlet, and complimentary food and drinks. In return, we ask that you serve as a spokesperson in your career field for inquiring guests. This event is a fantastic way to expose the community to your business, positions you’re hiring for, and the various careers possible in your field. It’s also a great opportunity to promote professionalism and partnerships with current Herzing University students and instructors. The event will begin with a Kenosha Area Chamber of Commerce ribbon-cutting. We’re confident that your attendance will result in a win-win for everyone!

If you’d like to attend, please fill out the registration form on the next page and fax it to 262-653-1434 no later than Wednesday, June 9th.

We’re looking forward to having you!

Sincerely,
Terri Storch
Director of Career Services
