NURSE PINNING

The nursing pin is a symbol with a rich history dating back to the Maltese Cross. The Crusaders wore the cross as a symbol of service to Christianity. Over the centuries various symbols represented service to a ruler or to the community. As a result of Florence Nightingale's influence, the importance of "nurses' training" was recognized and hospitals began developing programs. The Nightingale School of Nursing at St. Thomas's Hospital in London designed and awarded a badge with a Maltese Cross to the nurses as they completed their program.
