Student Speaker

Katlyn Matos Batista

Bachelor of Science in Healthcare Administration

Balancing a full-time job as a Certified Medical Assistant in a large hospital, being a mother and taking classes in a bachelor degree program in Healthcare Administration is not easy but when motivated by compelling life experiences and a drive to improve her community, success becomes a singular focus.

Working hard and overcoming obstacles is foundational for Katlyn. More than just surviving but thriving, Katlyn Matos Batista has the lived experiences to prove this. As a graduate of the Bachelor of Science in Healthcare Administration and a current student in the Master of Business Administration Katlyn looks forward to helping her community by becoming a Clinical Manager, with a goal to decrease hospital acquired infections and raise awareness of sepsis and septic shock.

On a personal note, Katlyn is a mother to a two-year old daughter named Paisley and is engaged to her fiancé Jordan. A future full of promise for both Katlyn and our community because of her singular journey.
