He started his career by opening a private practice in the field of physical medicine and rehabilitation that was recognized by Crain's Chicago Healthcare and Lake County's Daily Herald for exemplary patient care and small business success.

Primack received his undergraduate degree from the University of Cincinnati in Pre-Medicine Biopsychology, a graduate degree from the Chicago Medical School in Physical Therapy, a clinical doctorate from Rosalind Franklin University of Medicine and Science in Physical Therapy and Rehabilitation, and a master's in business administration from the University of Chicago Booth School of Business.
