# Celebrating 60 Years of Herzing

## A Legacy of Learning: Herzing University Turns 60

For six decades, Herzing University has been at the forefront of career-focused education. Founded in 1965 by Henry and Suzanne Herzing, and now led by their daughter, President Renée Herzing, we've grown from a single computer training institute to a respected, multi-campus institution with 12 campuses across eight states offering a wide range of academic programs, as well as our online campus and programming.

As we commemorate our 60th anniversary with over 50,000 graduates, Herzing University remains dedicated to fostering long-term career success in a caring learning environment. We continue to adapt and innovate, ensuring our students are prepared for the challenges and opportunities of tomorrow's workforce. Join us in celebrating 60 years of transforming lives through education, and discover why students choose to be part of the Herzing University family.
